Examiner: A. Vortman

Filed : October 29, 2003

Group Art Unit: 2835

For : THERMAL OVERLOAD RELAY

INTERVIEW SUMMARY AND COMPLETION OF RECORD

Commissioner for Patents
U.S. Patent and Trademark Office
Customer Service Window, Mail Stop _____
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

Applicants submit the following remarks as an Interview Summary and Completion of Record for the above-captioned patent application. Applicant's representative was made aware, upon reviewing the Patent Application Information Retrieval (PAIR) website, that an Official Action issued in the above-captioned application. Further the Official Action was purportedly mailed on July 5, 2005, but was not received by the law firm of record.

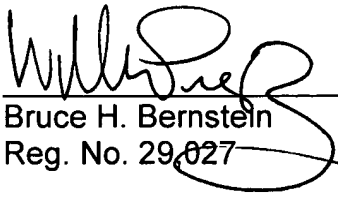

Upon becoming aware of the above-noted information on October 31, 2005, Applicants' representative, Joshua M. Povsner, contacted the Examiner assigned to the application, Anatoly Vortman, and requested the status of the present application. The Examiner then indicated that the Official Action mailed on July 5, 2005 was returned to the U.S. Patent and Trademark Office as "undeliverable. Applicants thank the Examiner for his courtesy in discussing this matter with Applicants' representative on October 31, 2005.

The Examiner confirmed Applicants' representatives' mailing address, and indicated that the Official Action would be re-mailed with a new mailing date so as to ensure that Applicants are provided an adequate period of time to prepare a Response.

Accordingly, Applicants assume that the Official Action dated July 5, 2005, which has not been received by Applicants or their representative, and which was returned to the U.S. Patent and Trademark Office as "undeliverable" for unexplained reasons, is considered withdrawn. Applicants further assume that any time period for responding to a "new" Official Action will begin on the date that the "new" Official Action is mailed (or the date that the "old" Official Action is re-mailed).

Should there be any questions regarding this paper, please contact the undersigned at the below listed number.

Respectfully submitted,
Kyung Ku LEE
